PRESS RELEASE

Royal Health Care LLC Provides TPA Services to Prestige Health Choice Members

NEW YORK, New York – December 8, 2008

Royal Health Care, LLC (“Royal”), a leading health care technology and services company began servicing Prestige Health Choice (“Prestige”) members and providers on December 1st, 2008. Prestige is a licensed provider service network in Florida and began enrollment in three Florida counties this month. Plans for expansion into additional counties are expected to continue throughout 2009.

As part of its agreement with Prestige, Royal is performing services in areas such as enrollment processing, claims adjudication, medical management, and call center support for members and providers. To support Prestige, Royal is using its proprietary software applications, PEGASYS and HMA. PEGASYS is Royal’s flexible payer transactions processing system, and HMA is the innovative utilization and case management application that interfaces with PEGASYS. Currently these software products support payer transactions for over 8 million lives.

Royal has worked with Prestige over the past year to prepare for the health plan’s go-live date. Steven J. Bory, Royal’s Chief Executive Officer, stated, “Royal has significant experience in working with government sponsored health plans and we have worked closely with the Prestige team to prepare for this start date. We will continue provide the support needed via our software and services so that Prestige can continue its growth”.
