Royal Health Care LLC Expands TPA Services to New Jersey Health Plans and IPAs

NEW YORK, New York – January 5, 2009

Royal Health Care, LLC (“Royal”), a leading health care technology and services company, has obtained a license from the New Jersey Department of Banking and Insurance to perform third party administrative services to health plans, IPAs and other payor organizations.

Royal Health Care currently provides claims processing, medical management, call center support and other insurance services to health plans in New York, Florida, Indiana, and several other states. By obtaining the TPA license in New Jersey, Royal will be able to provide administrative services to the health care community in New Jersey and will support current client expansion into this area.

Cathy Weigle, Royal’s Vice President of Business Development and Client Services stated, “We continue to grow and to upgrade our services and technology for our clients. Now we can also offer our products and support to a wider audience.”
