PRESS RELEASE

PRESTIGE HEALTH CHOICE SELECTS ROYAL HEALTH CARE FOR MANAGED CARE TPA SERVICES

NEW YORK, New York – November 16th, 2007

Royal Health Care, LLC (“Royal”), a leading healthcare technology and services company, and Prestige Health Choice, LLC (“Prestige”), a new health plan seeking licensure in Florida as a Provider Service Network have announced the two companies have entered into five year services agreement. Under the terms of the agreement, Royal will perform third party administrative and business process outsourcing services for Prestige’s managed care plan. Royal will perform functions in areas such as enrollment services, claims adjudication and payment services, utilization and case management services, and member and provider call center services.

To support Prestige, Royal will rely on its robust, proprietary applications, PEGASYS, and HMA. PEGASYS is Royal’s flexible, payer transaction processing system and HMA is the innovative utilization and case management application that is integrated with PEGASYS. Currently, these software products support payer transactions for over 8 million member lives.

Royal Health Care is also an equity investor in Prestige Health Choice. Steven J. Bory, Royal Health Care’s Chief Executive Officer, stated, “Royal has a long history and excellent track record in providing software and services to government program health plans. We are pleased that Prestige has selected Royal to service this new model of health care delivery in Florida and look forward to supporting the growth of the Plan”.

Prestige Health Choice which is sponsored by federally qualified health centers throughout Florida will initially be enrolling Medicaid recipients into its managed care program. Prestige is seeking licensure from the Agency for Health Care Administration in Florida. Kevin Kearns, the Chief Executive Officer of Prestige comments, “Prestige Health Choice is excited to be working with the experienced team at Royal Health Care. We are impressed with their commitment to provide a patient focused managed care environment that will improve the health status of our members.”

Prestige Health Choice is planning to begin enrollment by the end of the first quarter in 2008. Prestige and Royal are currently working on implementation activities to support this goal.
